

Theatr Brycheiniog are in the process of moving the café function to the flat floored auditorium to increase the COVID secure measures for visitors to the Theatr at the Canal Basin. We plan to open our exciting Cultural Café as soon as the Welsh Government guidelines allow. The Cultural Café installation is a celebration of the wonderful myriad of people who would usually utilise the space at Theatre Brycheiniog. A whole cross section of the community in Brecon make use of the theatre for numerous activities, from Tai chi to Taiko Drumming, Ballet Dancing to Band Practice. While the theatre is in limited use those groups of people cannot be as present as they would like to be in the space. In response to this, artist and theatre designer Harry Pizzey has created an installation which depicts over sixty members of the Theatre Brycheiniog community from eighteen different user groups making them present once again in the building. These portraits are displayed in the auditorium in a huge sky-like blue arch as a reminder of the amazing range of activities and people that would normally occupy the theatre and will continue to do so when restrictions are lifted.

We are looking for expressions of interest from exciting, motivated individuals who would like to be part of this new venture as Casual Barista and Catering Assistants. The Cultural Café would be open seven days a week 11.00am to 3.00pm and successful post holders would be on a zero hours contracts.

If the Cultural Café is something you feel you could be inspired by and would like to be part of please email Lisa Cascarini, General Manager lisa@brycheiniog.co.uk for a job description and application form.

The closing date is Friday, 5 February and shortlisted candidates would be invited to an initial zoom meeting the following week.
